# FUNDRAISING TIPS

- 1) Have a pre-sale within your Organization. Send us your order, marked "PRE-SALE". We will quickly turn these around for you. Students will then be wearing examples for your main sale and you will see the results!
- 2) Set your own price. Price blocks on the order forms are left blank so you can fill in your price before making copies. Most groups double the price. *(Prices can be increased on the spare silencers and chains)*
- 3) Target other groups on campus (Band, Choir, Debate, etc.) with their specially designed tag.
- 4) Most groups have this fundraiser 2-3 times per year for a limited amount of time. (2 weeks)
- 5) Collect your money as you take each order. Send us our portion, you keep the rest.
- 6) Offer the students all the tags and designs available. The *"I LOVE YOU"* tags, *FLAG* tags and *ZODIAC* tags, etc. are the most popular.
- 7) We have Tag Design booklets for your students to carry around to show your customers as they sell the tags. They are 25 cents each or you can download them *FREE* online at:

**[www.SAFETYTAGS.com/fundraising-forms.php](http://www.SAFETYTAGS.com/fundraising-forms.php)**

- 8) Remember to send Payment or a Purchase Order with your order so it does not slow down the process. We work very hard to get each order out timely.
